Dear Julian:

I would like to request that the Committee allow me to amend my 1988 Financial Disclosure Statement. Due to an inadvertant error on the part of my staff, an omission occured.

Please amend Section II, Part A (Earned Income) to include one additional honorarium, which was not paid to me, but donated to the Oolagah Historical Society of Oolagah, Oklahoma, a small town in my District. The honorarium was paid by CBS Inc., in the amount of $500.00 on October 13, 1988.

If you have any questions concerning this request, please do not hesitate to contact me or Sally LoVoi in my office.

Thank you for your prompt attention to this matter.

Sincerely,

Mike

Dear Sir:

Due to a typgraphical error, I would like to request that a change be made in the Tobacco Institute entry in Section IIA, Earned Income.

The date should read January 15, 1988, rather than January 5, 1988. I would be most appreciative if you would make that correction to my report.

Sincerely,

HAND DELIVERED

Honorable Donn Anderson
Clerk
H105--The Capitol
Washington, D.C. 20515

Dear Donn:

I am today filing my Ethics In Government--Financial Disclosure Statement for 1988. Because I am serving my first term in the House of Representatives, I feel it imperative to include, by way of this letter, additional information not now required by the Ethics in Government Act. I would, therefore, request that this letter be made a permanent part of the record and attached to this report.

Having come from the private sector into the Congress, I have found it necessary to rearrange my personal financial affairs to insure compliance not only with the letter of the law, but its spirit as well. Since being sworn in as a Member of Congress on January 3, 1989, I have taken the following actions with regard to business and professional agreements entered into prior to that date:

1) Resigned as a Member of the Board of Directors of Metropolitan Savings and Loan Association of Nashville, Tennessee by whom I was employed prior to election to Congress. I will continue to serve on that company's Advisory Board.

2) Resigned as a Partner in the firm of Elam, Gaslgow, Tanner, and Acree a law firm with whom I have been associated since beginning my professional career. Furthermore, I requested that my name be removed from the firm.

3) Disposed of my interest in HIET Leasing, a partnership in which I was one of four founding partners. This firm originated in 1979. Among its holdings are buildings in which space is leased to agencies of the federal government on a long term basis.

4) Because it is a closely-held, family business, I understand that no action is necessary with regard to my ownership of stock in the Union City Insurance Agency.

Honorable Donn Anderson
Page 2
May 9, 1989

These actions were taken after consultation with Counsel from the Committee on Standards of Official Conduct. While there is no legal requirement that this actions be reported at this time, I feel it is appropriate to do so to remove any question with regard to compliance with the Ethics in Government Act of 1978. If any additional information is necessary, do not hesitate to let me know.

I respectfully request that this correspondence be maintained as a part of my Financial Disclosure for 1988.

Sincerely,

John Tanner, M.C.

The Honorable Donnald Anderson
Clerk
U. S. House of Representatives
Washington, D. C. 20515

Dear Mr. Anderson:

In accordance with instructions received from the Committee on Standards of Official Conduct's Financial Disclosure Checklist--Form A (copy attached), the following are amendments to my 1988 Financial Disclosure Statement.

Part III - Holdings

Dominick and Dominick are shown as a holding.

Part IV - Transactions

Merrill Lynch Capital Fund inadvertantly reported as Merrill Lynch Cash Common Stock. Merrill Lynch Cash Common Stock has been omitted and Merrill Lynch Capital Fund inserted in its place both as Unearned Income and Holding.

Merrill Lynch Ready Asset was converted to Merrill Cash Management on February 10, 1987. This shows as an amendment in Transactions on 1987 Financial Disclosure Report and is also enclosed.

Texas Oil and Gas was sold in April of 1986 and amendment is being submitted to the 1986 report showing this as a transaction, and the 1987 report as deleted.

Part VII - Reimbursements

The Dates of Travel have been added.

Thank you and should you have any questions, please do not hesitate to contact me.

Sincerely,

Guy Vander Jagt

Dear Mr. Chairman:

I am sending this letter to clarify the questions you raised regarding my Financial Disclosure Statement.

First of all, the charitable donations of honoraria in excess of the limits applied both to the total amount for the year as well as any excess per speech. Thus, while I received honoraria for some speeches in excess of the $2000 limit, I donated the excess, and in most cases, the entire amount, to charity.

Secondly, you point out that the income reported in Part II-B was not sufficiently identified and, in some cases, not also listed as a holding in Part III. My accounts at Maryland Federal Savings and Loan and Heritage International Bank were savings accounts which produced the unearned income reported. I did not list Heritage International Bank because the deposits were less than $5000 as of the end of the year and I thought were thereby excluded from the Part III reporting requirement. If I'm incorrect in that assumption, I hereby amend Part III to add my savings acount at Heritage International Bank. The return on the sale for Dallas Office Group was for an installment payment for the sale of my interest in in a limited estate partnership.

Lastly, you asked for a further description of the reimbursements reported in Part VII. Each of the reimbursements was for travel and/or lodging in connection with a speech. The reimbursements from Kaiser and Mt. Zion hospitals were for two speeches in the San Francisco Bay area on both sides of a weekend. I received travel reimbursement from one group and no more than two days lodging from each. The reimbursement for travel and lodging for a generic drug conference from L.F. Rothchild was for a meeting in New York where I spent one evening at a hotel. The reimbursements for the Hastings speech, the American College of Emergency

Physicians, Bear Sterns, and the University of Southern California were for travel to White Plains, (New York), San Francisco, Miami and Los Angeles respectively, for either one or two night stays. The Morgan Stanley and Goldman Sachs speeches were in New York and the Chain Drug Store and Irvine speeches were both in Southern California.

If you need further information, please let me know.

Sincerely,

Henry A Waxman

The Honorable Julian C. Dixon
Chairman
Committee on Standards of Official Conduct
Suite HT-2, U.S. Capitol
Washington, DC 20515

Dear Mr. Chairman:

Enclosed you will find my 1988 Financial Disclosure Statement pursuant to the Ethics in Government Act of 1978 (2 U.S.C. Section 701-709) as amended in response to your letter of May 15, 1989.

The additional information you required has been supplied for Parts IV, V, VI and VII. I hope this clarifies all deficiencies which were identified upon review of the Statement.

Upon my further examination of the Financial Disclosure Statement I found that Part V overstated the category of liability owed to Citicorp Savings and American Home Funding. The overvaluation of the liability occurred as a result of my failure to exclude that portion of the mortgage which is secured by my personal residence.

The original reporting error occurred in 1986 when 1251 South Carolina Avenue, S.E., Washington, DC was purchased. Fifty percent of the property is held for the production of rental income and is secured by mortgages held by the above referenced institutions. Part V 1986, Part V 1987, and Part V 1988 are amended to include the liability with the appropriate category.

With regard to Part V 1987, an additional entry has been made, Metro North State Bank, to reflect the liability which offsets the ten percent partnership interest purchased in 4000-4014 Warwick, Kansas City, Missouri. As originally submitted, Part IV 1988 reflects that the ten percent interest in the partnership and the resultant liability was sold. A more appropriate description is that the interest in the partnership was relinquished to the remaining partners.

The Honorable Julian Dixon
Page 2
May 18, 1989

Part V 1984 and Part V 1985 also require amendment. Real property at 3219 Lockridge, Kansas City, Missouri was converted from my personal residence to rental property in 1984. Property at 4349 Aldine Street, St. Louis, Missouri was acquired in 1984. Both properties were listed as holdings during 1984 and 1985, and since they were subject to mortgages, both should have been carried in 1984 and 1985 as liabilities. In addition, the St. Louis property has been added to Part V 1986, Part V 1987, and Part V 1988. The mortgage was repaid in 1988.

Sincerely,

Alan Wheat
Member of Congress

What Is the Child and Dependent Care Expenses Credit?

You may be able to take this credit if you paid someone to care for your child or other qualifying person so you could work or look for work in 1988. The credit may be as much as $720 ($1,440 if two or more qualifying persons were cared for).

Additional information.—For more details, please get Pub. 503, Child and Dependent Care Credit.

A qualifying person is:

- Any person under age 15 whom you claim as a dependent (but see Children of divorced or separated parents).
- Your disabled spouse who is mentally or physically unable to care for himself or herself.
- Any disabled person who is mentally or physically unable to care for himself or herself and whom you claim as a dependent, or could claim as a dependent except that he or she had income of $1,950 or more.

General Instructions

Paperwork Reduction Act Notice.— We ask for this information to carry out the Internal Revenue laws of the United States. We need it to ensure that taxpayers are complying with these laws and to allow us to figure and collect the right amount of tax. You are required to give us this information.

The time needed to complete and file this form will vary depending on individual circumstances. The estimated average time is: Recordkeeping, 26 minutes; Learning about the law or the form, 11 minutes; Preparing the form, 18 minutes; and Copying, assembling, and sending the form to IRS, 20 minutes.

If you have comments concerning the accuracy of these time estimates or suggestions for making this form more simple, we would be happy to hear from you. You can write to the Internal Revenue Service, Washington, DC 20224, Attention: IRS Reports Clearance Officer, TR:FP; or the Office of Management and Budget, Paperwork Reduction Project, Washington, DC 20503.

Purpose

Use Form 4868 to ask for 4 more months to file Form 1040A or Form 1040. You do not have to give a reason why you are asking for the extension.

To get the extra time you MUST:

1. Fill in Form 4868 correctly, AND
2. File it by the due date of your return, AND
3. Pay ALL of the tax shown on line 6.

We will contact you only if your request is denied.

If you already had 2 extra months to file because you were "out of the country" (see page 2) when your return was due, then you can only get 2 more months using this form.

Do not file Form 4868 if you want IRS to figure your tax, or are under a court order to file your return by the regular due date.

Note: *An extension to file your 1988 calendar year income tax return also extends time to file a gift tax return (Form 709 or 709-A) for 1988.*

If these 4 months do not give you enough time to file your return, you can later ask for more time. But you'll have to give a good reason, and it must be approved by IRS. To ask for the extra time, you must:

1. File Form 2688, Application for Additional Extension of Time To File U.S. Individual Income Tax Return, OR
2. Explain your reason in a letter. Mail it to the address under Where To File.

File Form 4868 before you file Form 2688 or write a letter asking for more time. Only in cases of undue hardship will we approve your request for more time without first receiving Form 4868. If you need this extra time, ask for it early so that you can still file your return on time if your request is not approved.

Dear Mr. Anderson:

I am writing to request your permission to amend my Financial Disclosure Statement for 1988. I inadvertently omitted a trip I took in April of 1988 with the Japan Society Inc.

The Japan Society Inc. is a non-profit organization promoting cultural and educational understanding between the United States and Japan. The Japan Society Inc. does not use any public funds.

I participated in the US/Japan Parliamentary Exchange Program on April 5-10, 1988. They provided roundtrip transportation from Washington, DC to Tokyo, Japan, a trip to Kyoto, Japan, and my food and lodging. Prior to taking the trip, my office issued a press release offering complete information about the agenda and how the trip was financed. Please note the enclosed press release.

I thank you for the opportunity to amend my Financial Disclosure Statement for 1988. I apologize for the inconvenience and hope that you find this submission complete. If there are any questions or concerns, please call me.

Very truly yours,

Bob Wise

Wise to meet Japanese prime minister

Rep. Bob Wise, D-W.Va., is to meet with Japanese Prime Minister Noboru Takeshita in Japan during the Easter recess of Congress.

Wise will be part of an eight-member U.S. delegation in a U.S.-Japanese governmental exchange program. The U.S. delegation includes House Majority Leader Thomas Foley, D-Wash., and House Minority Leader Robert Michel, R-Ill.

The group will leave Washington Monday and return April 1. The cost of the trip is being underwritten by the Japan Society Inc., a non-profit organization promoting cultural and educational understanding between the United States and Japan. No public funds will be spent on the trip, Wise said.

Wise was asked to participate in the exchange because of previous trips he has made to Asia to promote international trade.

Dear Mr. Anderson:

Although I disclosed receipt of Social Security earnings in my 1988 financial disclosure report, I inadvertently reported them as unearned income rather than earned income.

Accordingly, please amend my 1988 disclosure report as follows under EARNED INCOME:

Year	A. Source	Type	Amount
1988	Social Security	Pension Benefit	$13,167.00

I would like to point out that Social Security pension benefits are not counted against outside income.

I regret the error.
